

## American Self Storage Options

Self Storage size is important when it comes to renting storage space at a price that meets your budget. American Storage offers many different spaces that include 5 x 10, 10 x 10, 10 x 15, 10 x 20, 10 x 25, 10 x 30 along with boat shed storage, RV storage, car storage, and open storage solutions.

Below is a quick-reference guide to help you plan what size unit you will need for your personal or business storage:

Size	Storage Unit Visual	Examples of Personal Items	Examples of Business Items
5' x 10' (50 sq. ft.)	 <p>Walk-in closet</p>	Furnishings of a mid-size bedroom, including a queen-size bed, dresser, TV, and a few storage boxes.	Contents of one office room, including desks, bookcases, filing cabinets and large storage boxes. Ideal for storing equipment and tools.
10' x 10' (100 sq. ft.)	 <p>Average-sized bedroom</p>	Contents of an entire family room or two full bedrooms.	Contents of an entire office, including desks, chairs, computers and a few storage boxes.
10' x 15' (150 sq. ft.)	 <p>Large bedroom</p>	Contents of up to three bedrooms in this unit. Recommended for larger items such as pianos, couches, tables, or large-screen TVs.	Contents of three office rooms could fit in this size unit, including several desks, computers and boxes.
10' x 20' (200 sq. ft.)	 <p>One-car garage</p>	Contents of a five-bedroom house, including a refrigerator, washer/dryer, dining room table, chairs and large boxes.	Contents of five office rooms (desks, computers, bookcases and file cabinets) in this size, or a five-year supply of business and tax files.
10' x 25' (250 sq. ft.)	 <p>Large one-car garage</p>	Contents from a three or four bedroom apartment/house including appliances, patio furniture, garage extras and miscellaneous.	Contents of five office rooms – many desks, several large boxes, seasonal storage, a few sets of large storage shelves.
10' x 30' (300 sq. ft.)	 <p>Extra large garage</p>	Contents of a 5- to 7-bedroom house, including large items such as a couch, bed, fridge, and entertainment center.	Contents of five office rooms – many desks, several large boxes, seasonal storage, a few sets of large storage shelves and/or a few pallets of inventory, depending on how high you stack them.
